Presidents Report with Allen Sculthorpe

We are just about at the end of the bowls season and it appears we will have at least a couple of teams in the finals if not a few more over the next couple of weeks.

I wish all teams good bowling and good luck.

AGM (Annual General Meeting)

The AGM will be held at the Club on Sunday 6th May at 2.00 pm so please make an effort to come along. Find out more about your club and the new indoor centre. Please put the date in your diaries.

Club Coaches

The club would like to enlist additional club coaches so if any member would be interested please contact one of the board members.

We are also looking for interested parties for our entertainment committee.

Just a reminder of the Flight Centre incentive – If you book a holiday through the Flight Centre they will donate a percentage back to the club, so please keep this in mind.

It is with sadness that I inform our members of the passing of Viv Lovell a longstanding member of our Club. On behalf of the Kingborough Bowls Club I

would like to extend to Viv's family our sincere condolences.

Vice President's Report with Norma Lovell

It looks as though we have a busy month or so ahead of us so good luck to you all with whatever competitions you may be competing in.

Don't forget our social bowls on Friday afternoons, come along and have some great fun, 2.30 for a 3.00 pm. start.

Members please note that there is a “**medication sheet**” available at the clubhouse for all to complete if you wish and to keep in your bowls bags in case of an emergency whilst playing. The information on this “sheet” shows your name, next of kin and phone number, GP's name and phone number and medications you are currently taking, so please collect one.

Trade table –

Ladies and Gentlemen if you wish to purchase anything from the trade table and you haven't the funds to do so on the day, take the item with you but please write out an “IOU” with your name clearly written on it and put it in the money

Our Kitchen Rules!!!

Members if you are using the kitchen facilities please remember to **CLEAN UP**. Too often the kitchen is left in an unsightly and dirty state with cups, spoons etc., left in the sinks requiring someone else to wash them. It doesn’t take much to wash and dry a few dishes and clean off benches, stoves etc. Come on let’s keep our kitchen clean and tidy and one to be proud of using. **Thankyou. Elaine Wills**

We apologise for the late distribution of the combined January/February issue, hopefully our March newsletter will be out on time. If you wish to see the complete “ladder” as of Round 15 you
