

Friday night twilight social bowls

"Grab your bowls and forget the pub – join the crowd at the Club"

Come along and enjoy a relaxed game on Friday evenings with family and friends. Dress is come-as-you-like: wear flat shoes (no heels), footy socks, bare feet or bowls shoes.

Male, female and mixed teams enjoy a fun competition with prizes for winners and losers, eats and drinks on the green and a barbecue afterwards.

Once-off registration gives you social membership for the year, and there's a small fee to play each time – see our website for details.

We are pleased to invite you to enjoy...

For over 60 years Kingborough Bowls Club has been integral to the sporting and social life of the Kingborough community. Situated in one of the fastest-growing municipalities in Tasmania, the Club provides two natural full-sized grass greens, a petanque terrain, plus a newly established, eight-rink, state of the art indoor bowls facility: the **Donald Hazell MBE Indoor Bowls Centre**.

This now allows for all-weather, year-round use of the club with day and night bowling for both the social and competitive bowler. Currently the only one of its kind in southern Tasmania, the indoor centre has excellent natural lighting, comfortable ambient environment and ample space to accommodate players and spectators alike. It provides the latest in synthetic surface, unaffected by damp, wind or drying sun.

With a mezzanine lounge, catering and bar facilities, the Kingborough indoor bowls centre offers a bowling experience like no other in southern Tasmania.

Activities for all

We welcome both casual users and new members, with coaching available whether you have never played, or are looking to improve your game.

Whether you are sixteen or sixty, you can enjoy some gentle activity, companionship and social interaction in a competitive or non-competitive environment.

And we aren't restricted to bowls. Play petanque on the terrain outside; plus darts, cards and other games can be accommodated indoors or out.

Our facilities

Kingborough Bowls Club welcomes enquiries from schools, sporting and social clubs, business and corporate groups, community groups or individuals wanting to use our facilities for a function or activity.

Our large and airy meeting room, dining room with dance floor, bar area and commercial kitchen can accommodate; weddings, birthdays, anniversaries, dinners, award presentations, functions, meetings and seminars. We are happy to provide food and beverage service, or you can use your own preferred caterers.
