January 2013

'WE' TRUST ALL MEMBERS AND THEIR FAMILIES HAD A SAFE & ENJOYABLE CHRISTMAS AND

Exciting news—**Ladies B Grade STBA Southern Championship won by 1 shot by:**

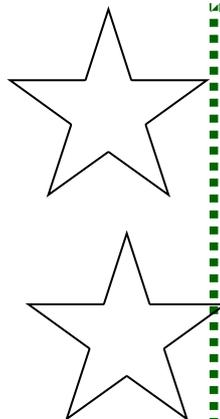

Pam Rosevear—skip, Diane Spooner—2, Dot Peterson—lead.

The final against Sandy Bay was a hard game and very close. Dot, after putting the jack up short accidentally said “Pam will kick me up the ****” and Pam replied “if we lose this end yes I will” but in fact it proved to be crucial to their win. They’ll be off to Rosny for the end of season cocktail party for the trophy presentation and may play against the North for the State Championship.

As our Vice President Carleen Crane said “**Well done ladies**, we have certainly put our Club on the map between this and the earlier win in the pairs by Dot Peterson & Diane Fleming”

CLUB CHAMPIONSHIP WINNERS—CONGRATULATIONS TO ALL

B Grade Pairs—Pamela Rosevear & Diane Spooner. Runner ups Helena Harris & Greta Murray

Leonie Price : 100 up runner up Auriel Wolfe
AND
Two bowl handicap singles—runner up Elaine Wills

This Newsletter was kindly printed by Harcourts Kingborough

Harcourts

More CONGRATULATION & well done to all

'Our' Vicki Philp—lead & Dot Peterson— 2nd with 3rd Dallas from Geeveston & Joan Stansfield from Derwent City won the Ladies B Grade Championship at Taroona on 21 Jan.

Pam and Diane Spooner runner ups to STBA 'B' Grade Pairs.

Elaine Wills and Karlene Beadle the runner ups in the south Tasmanian Champion of Champions,

Tony Clark—skip and Mark Watterson went down to Rob McCullen—skip Sandy Bay & Cameron Teet, Claremont in the final of the STBA Open Pairs. Craig Griggs reported that they put in a very gallant effort against two seasoned players and were just outplayed on the day. It was a draw shots game that was a real privilege to watch.

We have a great weekend coming up with 6 of our players in the STBA A Grade singles and 1 in the B Grade singles.

It was an absolute battle to the end.

Launceston's latest world champion Rebecca Quail is still on cloud nine after pairing with Queenslander Kelsey Cottrell to win their maiden women's pairs gold medal in Adelaide over defending titleholders New Zealand. As Phil Edwards reports for [The Examiner](#).

The 24-year-old Invermay Bowls Club player became the first Tasmanian to win a world bowls title,

During an epic final, the Jackaroos pair were in a rich vein of form early but were ridden down by the Black Jack warhorse combination of Val Smith and Jo Edwards, both of who are ranked in the world's top three, with the heated match going right down to wire, 16-12.

The victory marks 21-year-old Cottrell's maiden gold medal at the event after falling agonisingly short in 2008 at Christchurch, in which she took home a silver and bronze, while 23-year-old Quail clinched the revered medallion only 14 months after making her international debut.

BOWLS REVIEW FRENCH HOLBROOK TEST SERIES

The Tasmanian men's team was left to rue a nail-biting loss in the second Test of the French Holbrook Test Series against Victoria played at the Devonport Bowls Club. The Tasmanians finished with two wins and three losses. If it was not for Tasmania losing the second Test by a narrow margin, after being in a winning position, it could well have been the home team that was holding the Shield and not Victoria. In the fifth and final Test, Tasmania won on all rinks by 13 shots. Over the five Test series, Tasmania won on eight rinks to Victoria seven and won 155 ends to Victoria 160. The player of the series award went to Robert McCullen.

The women continued to show improvement, but were once again beaten by the strong Victorian side, which won all five Tests. The women's player of the series award went to Maureen Zoon. In the under-25 men, the Tasmanian side finished the series by winning the final Test but went down to Victoria two Tests to one. The women's under-25 Tasmanian team finished its series with two losses and a draw. The under-18 boys were playing for the Stuart Jackman Shield, which Tasmania held. The under-18 girls did not have the same success as the boys

Excerpts from The Advocate 13/12/12 By BOXER STEPHENS

In the 2012 World Championships. Australia claimed the overall winner's trophies on the final day with 5 gold medals and 2 silver from 8 disciplines.

Australia's Leif Selby and Aron Sherriff came perilously close to tasting the ultimate glory but were resigned to a **silver medal** in the **men's pairs**.

During an engrossing encounter with Scotland's Commonwealth Games gold medallists Paul Foster and Alex Marshall, the Jackaroos propelled themselves to the lead early but played catch-up for the majority of match, before ultimately losing 18-13.

The **women's triples** line-up of Australia's female bowler of the year Natasha Van Eldik, national captain Lynsey Armitage and world number four Karen Murphy claimed a **gold medal**.

The Jackaroo combination united in a trans tasman hit out, prevailing 21-9 against New Zealand's Lisa White, Jan Khan and Mandy Boyd.

Adelaide's Wayne Ruediger achieved a life-long dream of clinching a World Championships **gold medal** on home soil.

Leading Brett Wilkie, Mark Casey and Aron Sherriff in the **fours**, the Grange greenkeeper was instrumental in his team's 22-13 victory over South Africa.

In the men's triples, Scotland were pushed to near breaking point by a relentless Jackaroos combination, eager to repeat the performance that earned them glory in the fours.

The tartan titans' David Peacock, Darren Burnett and Graham Archer clinched victory marking Peacock's third successive triples world title and the nation's third gold at the event.

Australia scored on only five of the fifteen ends, but the result still came down to the wire, with the tartan titans' David Peacock, Darren Burnett and Graham Archer prevailing by the slimmest of margins, 13-12, after Archer smashed the jack into the ditch on the final end and Casey's final bullet ended millimetres short.

Australia **has claimed the overall winners' trophies** on the final day of the World Championships after clinching its **fourth and fifth gold medals** in electrifying circumstances.

World number four Karen Murphy claimed the sport's most coveted prize after prevailing in the blue-ribbon **women's singles** final this afternoon, and in the process assured the host nation retained the revered Taylor Trophy, awarded to the overall women's winner of the 27-nation event, ahead of New Zealand and Scotland.

It was a herculean effort by the Jackaroos vice-captain, who was pitted against pre-tournament favourite and defending titleholder Val Smith, from New Zealand, in the gold-medal decider.

In a marathon three-and-a-half hour showdown where 24 of the 30 ends staged saw a 1 shot result, it was Murphy who secured the spoils, posting a 21-17 final score to claim her second golden medallion after skipping her triples combination to glory on Saturday

Murphy becomes just the second Australian to secure the singles world title, behind Merle Richardson who triumphed at Melbourne in 1985.

All five female members of the Jackaroos contingent now exit the event as reigning world champions, a title that they carry for the next four years.

Australia's Leif Selby also picked up the corresponding medal this evening in the men's event, with the world number two edging past Canada's Australian-based Ryan Bester by a slender 2 shot margin, 21-19.

The pair couldn't be split after qualifying rounds, with both undefeated from 11 rubbers and even on shots for and against in opposite sides of the draw, and it proved to be a titanic tussle in the final decider.

For Selby, who went on an 18 month sabbatical after the Delhi Commonwealth Games, the elusive World Championships medal sat as the only notable omission from his mantelpiece.

Again, only a solitary Australian has completed the feat in the men's singles, after national coach Steve Glasson OAM took the honours at Scotland in 2004.

The result also earned the contingent the Leonard Trophy, for overall men's winner, on the back of a gold medals in the men's singles fours, and silver to the pairs and triples.

RESTRUCTURE OF PENNANT 2012-13— NON-GENDER SPECIFIC STARTING 2013-14

Bowls Tasmania has total administrative power over bowls in the State ie the South, North & North West regions.

The Southern Tasmanian Bowls Association trading as Bowls South report follows.

Bowls Tasmania has advised that the Board of Bowls Tasmania has passed the following motions at its meeting on 17 December 2012:

- It is the policy of Bowls Tasmania **that pennant be non-gender specific starting season 2013-14.**
- That the top pennant division in all regions go to 12 a side starting from season 2013-14.
- That pennant will not be played on or after the 18th December for a 3 week period starting season 2013-14.

These motions were contrary to what Bowls Tasmania South pushed for at the Regional Consultative Committee meeting held earlier on 17 December 2012, namely Women's Pennant as is, Men's Pennant as is with 16 players per side, 25 ends for A Grade matches and 21 ends for B Grade matches, 10 teams per division and 18 matches per season.

The Board of Bowls Tasmania South has agreed that it is not possible to make firm decisions on the directives without further information being received. Accordingly Bowls Tasmania South has contacted Bowls Tasmania advising that it is concerned at the implications of the directive and is seeking further information on the proposed restructure of pennant lawn bowls in Tasmania. Such information should include:

- Is this a directive from Bowls Australia?
- What is the driving force behind the directive?
- Justification for the directive – why was it made, who and what does it apply to, what are the implications?
- Clarification on how the directive will be implemented?

The Board of Bowls Tasmania South has requested a meeting with the Bowls Tasmania Board to further discuss the directive.

In South Australia

excerpts from BOWLED OVER 22/12/12 The Advertiser

The Equal Opportunity Tribunal has ordered Bowls SA to abolish gender based competition from 30 June 2014, that selection will ultimately have to be made on merit, not gender.

Bowls SA is lobbying the State Government to change legislation (as had happened in Victoria) to allow the sport to keep running separate male & female competitions.

Bowls SA general manager Benjamin Scales said lawn bowls was a special case because although it was played to a high level internationally, it did not qualify for equal opportunity exemption like some sports, such as AFL, because selection was not determined by "physique, strength and stamina".

Sports SA chief executive Jan Sutherland said the ruling might encourage other sports, in which strength or stamina was not a decisive factor, to consider abolishing separate competitions for men and women.

The issue has divided the state's 17,000-strong bowls community for five years. The Advertiser understands only a small percentage want to abolish male and female competitions.

Bowls Australia national coach Steve Glasson argued against combining male and female competitions, telling the tribunal the path to participation in international events was by way of single gender competition.

Bowls SA president Ivy Kluske told the tribunal that changes had been made since the 2010 exemption. Eve-

*Adjustments will be made at end of season for those with byes in last 4 games

It's been heartening to see such a steady improvement in outcomes for the men in the latter part of the season and I congratulate all our players and hope they continue their good work.

**Allen Sculthorpe
President**

LAWN BOWLS LIVE ON YOUR COMPUTER

Did anyone go to bowlsaustralia.com & click on TV / Bowls on Demand and see the LIVE screenings of games in the 2012 World Championship? If you did, you will have learned (as I did) that while you are viewing a LIVE screening it is free, so for all the following upcoming games you can see them live on Bowls Australia (Au):

Au Open; Super 6; Au Sides Championship; Au Indoor Championship; Au Under 18s Championship; National Champion of National Champions.

Once it's past tense then you either pay to view them on Bowls Au or they are screened

on TV

Foxtel—they are screening various games of the 2012 World Championship on Feb 1,5,6,8,12,13,15,19,20,22,26,27 & March 5,6,8,12,13,15,19,20,22.

MY LIFE BROKEN DOWN INTO SEGMENTS

Page 5

Ladies Friendship Day,

held at the Club in December was a great success with 11 rinks being played. We had members from all over the south attending. Many of the ladies thanked us for the day and remarked on how well it was presented and the food provided was a credit to the Club. The raffles and the trade table were well supported and brought in over \$600 for the day. **An excellent job well done by all our members contributing to make it a special day.**

Carleen Crane, Vice President

Happy Hour on 14th December saw the Club filled to overflowing and was enjoyed by all. Over ___ prizes were given out.

Our **Christmas raffle** was well supported with the wheelbarrow donated by Alan Sculthorpe filled with many contributions made by members—bringing in excess of \$350 into the Club. Well done everyone. It was won by Patrick Lee.

Carleen Crane, Vice President

Our thanks to **John Walker** for all his work with our many sponsors and for restoring the voucher with Banjo's at Kingston for the ladies team that wins by the most.

From the Coach:

- If you think you are beaten, you are.
- If you think you dare not, you don't.
- If you like to win, but think you can't, it is almost certain you won't.
- Life's battles don't always go to the stronger or faster person but sooner or later **the one who wins is the one who thinks they can.**

Hilary Bennetto

Hilary Bennetto + Stephanie Green + Mike Harris

Earned their **Selection Module Certificates** from Bowls Australia, National Coaching Accreditation Scheme

Medical & sports experts say:

In the punishing sun & sweltering heat it is essential that you start your game well hydrated. Seek to have 300+mls of fluid prior to starting and replace these fluids regularly through the game. In temperatures of more than 25C that means having a drink every few ends. Sultanas or jelly beans are options to replace carbohydrates while you play. After the game have a couple of large drinks of water and a sports drink before you start on the alcohol and if there is some food about get stuck into it, especially carbohydrates. Try & avoid fatty foods for some hours until you have replaced your fluids, electrolytes and carbohydrates.

Stephanie Green

Latest results from Exeter Uni research is showing that **drinking beet-root juice improves your stamina**—volunteers were able to continue 16% longer on their exercise bikes. It is thought to be due to the nitrates in beetroot which slow the rate at which the body depletes oxygen reserves. (from the Cygnet & Channel)

You will have seen a notice up

EXPRESSIONS OF INTEREST IN PROVIDING CATERING SERVICES to club members and visitors. Call 6229 6782 or email the secretary@kingboroughbowlsclub.com.au.

and wondered just what this entailed. Elaine has provided an outline of the job of Providore as follows:

- ◆ Regularly check stocks of all consumables: coffee, tea, biscuits, cheese, milk, margarine & everyday items used in the kitchen;
- ◆ Purchase everything required for the kitchen;
- ◆ Take phone calls (at all hours!) and deal with all enquiries relating to hiring the club for functions this includes ensuring no double bookings etc
- ◆ Cater for *functions—requires organising the whole meal, what will be served, determining what people & supplies will be required then purchasing the supplies and organising & rostering the helpers;
- ◆ Ensure that all the washing up is done and the kitchen and function room are left clean and ready for use this includes washing tea towels (& ironing) up to 12 tablecloths, etc) [Floor cleaning done by paid cleaner] ;
- ◆ Make sure garbage bins are emptied & recycling put in appropriate bins;
- ◆ Organise a general clean up once a year;
- ◆ Liaise with regular patrons like Rotary for dates of their dinners, etc
- ◆ Provide the Saturday Men's afternoon teas each week.

Norma Lovell has taken over doing the shopping for this: bread, milk, ham, cheese, tomatoes, lettuce, etc and helpers need to be rostered to make the sandwiches .

As Elaine Wills says

“At all times you are watching for specials , particularly of items used regularly to increase the profit margin; using your own car to save on \$25+- delivery fees all adds to big savings over the year.

It takes a lot of thought and time to run the kitchen efficiently, I have done it for 3 years now, and I feel it is time for someone else to take it over, I have enjoyed doing this for the club, it's very demanding and you're putting in some very long hours yet it is also very rewarding working with Club members and seeing what can be accomplished in contributions to Club revenue and raising the profile of the Club in the community - AND the fun we can have working together.”

*Functions range from:

- ◆ the Monday night Rotary Club 28 to 35 dinners x 40+- per year (only a main meal unless a partner's night or special occasion then 2 course & upwards of 60 people) . Mavis Gordon does some of the dinners when there are a few in a row. It requires Elaine or Mavis and 3 helpers to do these dinners.
- ◆ Weddings, wakes, parties 15+- per year . We have catered for 105+ people but the ideal maximum is 80 for plated foods with larger numbers being self catered.
- ◆ Christmas lunches & Rotary usually means December is a very busy month.

It is obvious this is a very big job that few, if any ONE, member is likely to put their hands up to do, perhaps **consideration can be given to breaking parts of the job down into separate responsibilities** like: kitchen supplies; catering enquiries & bookings; functions; Rotary dinners; Saturday afternoon teas; organising helpers; so that **several people (say 6 or more) can take on the job as a committee** and meet as required by the bookings of ad hoc functions????

Therefore expressions of interest can be given with the note that you will only take on a 'part' responsibility not a whole, a committee could be formed & an overall co-ordinator elected. Keeping this 'in house' as opposed to having outside caterers is well worth some lateral thinking.
